Il Centro Stile Sitap è un posto dove creatività e ingegno si incontrano per dare vita a tappeti unici. Trasformare ogni luogo in un luogo di pura Emozione.

Le creazioni Sitap si ispirano all'alta moda. Come gli abiti che sfilano sulle passerelle di tutto il mondo, così i nostri tappeti si rinnovano stagione dopo stagione, dando vita a infinite combinazioni di fantasie, colori e materiali nel segno dell'eleganza Made in Italy.

"In ogni creazione, un pensiero. In ogni tappeto, un'anima che non vuole smettere di emozionare."
Barbara Trombatore, CEO e Creative Director Centro Stile Sitap

*Centro Stile Sitap is a place where creativity and ingenuity come together to create unique rugs.
Transforming any place into a place of pure Emotion.*

Fashion inspires Sitap creations. Like the clothes that parade on all over the world catwalks, so season after season our rugs are renewed, giving life to infinite combinations of patterns, colors and fabrics. As told by the real Made in Italy elegance.

"In every creation, a thought. In each carpet, a soul that does not want to stop moving."

EFFETTO STONE WASHED

L'effetto Stone Washed si ispira alla lavorazione del tessuto denim per raccontare un disegno dal gusto classico in modo nuovo. Il risultato è Deco Light Blue e Dark Grey. Il loro motivo si fa evanescente e volutamente irregolare, per donare alla tradizione un tocco decisamente più contemporaneo.

STONE WASHED EFFECT

Stone Washed effect is inspired by the processing of denim fabric to tell a classic design in a new way. Light Blue and Dark Gray models are the result. Their patterns become dusty and deliberately irregular, to give tradition a decidedly more contemporary touch.

THE STYLE IS GIPSY

Gli abiti lunghi e leggeri proposti dalle passerelle ispirano i tappeti Deco. Un richiamo al mondo nomade per pattern gitani dai colori caldi che guardano al deserto, agli elementi della natura, alla musica Manouche. Abbinali a mobili in legno scuro o naturale.

From catwalks, long and light dresses inspire Deco rugs. A reference to a nomad and warm patterns world, linked to desert, nature elements, Manouche music. Match them with dark or natural wood furniture.

NOTE IMPORTANTI

Le fotografie dei tappeti sono esemplificative dei colori. Pur essendo il più possibile simili ai tappeti originali possono presentare differenze cromatiche, sia a causa della stampa in quadricromia, sia per l'effetto della rifrazione della luce sui filati cangianti, sia per l'artigianalità della tintura fatta a mano che potrebbe variare da un bagno di colore all'altro. Durante le prime settimane il tappeto tenderà a perdere alcune fibre dovute al normale spoglio della felpe, residuo della rasatura finale (fenomeno ancora più accentuato e più lungo per i tappeti a pelo lungo e voluminoso). Questi residui possono essere facilmente eliminati utilizzando un semplice aspirapolvere che non abbia un'azione troppo abrasiva sul tappeto.

Non utilizzare mai battitappeto.

Le macchie devono essere trattate immediatamente. Il 90% di esse può essere rimosso con acqua minerale gassata tamponando con un panno di cotone o carta da cucina, senza tuttavia sfregare. Qualora si trattasse di macchia ostinata è possibile intervenire anche con sapone neutro non aggressivo, ma per un lavaggio a fondo è sempre bene rivolgersi a lavanderie professionali.

Se sporge un filato non strappatelo, ma tagliatelo con delle piccole forbici.
Arrotolate sempre i vostri tappeti quando volete riporli, senza piegarli mai.

IMPORTANT NOTES

The catalogue photo, though being as similar as possible to the original carpets, can sometimes present slight differences in shade, due to both the four-colour printing, and light effect on iridescent yarns, and different batches of yarns given by the handmade dyeing.

Some fibres may become detached from the carpet for a few weeks after the installation. This is due to a normal plush shedding. (for high pile voluminous carpets the phenomenon is more accentuated and lasts longer). These excess fibres can be removed by vacuuming.

It is important not to use brushes or carpet sweepers.

Stain must be treated immediately. The 90% can be removed blotting with a cotton rug or paper towel and sparkling water without rubbing it. If the stain is tough, you can use also neutral soap; for a deep cleaning you should address to a professional laundry.

If a yarn loop pulls out don't tear it, just cut it with tiny scissors.

When you want store your carpet, don't fold it but just roll it.
